## IIQM

Indian Institute of Quality Management (IIQM), a division of Electronics Test & Development Centre, Jaipur operates under STQC Directorate, Department of Information Technology, Government of India and provides training to industries and user departments in the area of QMS (ISO 9001), EMS (ISO 14001), Laboratory Quality Management (ISO 17025 and 15189), IT Service (ISO 20000) and Information security (ISO 27001) Management Systems.

It has established itself as a professional institute in the subjects taught. IIQM was established in 1994 and since then trained over 19000 professionals, including those working overseas. It was instrumental in starting an educational program i.e. Master of Science in Quality Management (MSQM) under bilateral arrangements with BITS, Pilani.

IIQM functions as an approved Training Organization (TO) recognized by following national and international bodies for conducting approved courses in the area of Quality, IT Service and Information Security Management Systems as well Implementing Service Quality by Public service organisations (IS 15700).

- International Register of Certificated auditors (IRCA), U.K.
- Information Technology service Management Forum (itSMF), U.K.
- National Accreditation Board for Education and Training (NABET), of Quality Council of India.

In Addition, the Quality Management System of IIQM has been certified by RINA Services, Italy.

The institute also provides air-conditioned accommodation (on twin sharing basis) in its Executive Hostel, including boarding facility for the residential participants.

### About STQC Directorate

STQC Directorate is a part of Department of Information Technology, Ministry of communication & Information Technology, Government of India. The objective of STQC is to improve the Quality of Indian Electronics and IT products & services and to facilitate the Indian industries to become global players.

STQC has a nationwide network of 15 laboratories known as ERTLs/ ETDCs providing testing, calibration and certification services; 7 IT Centres providing IT services and Specialized Training Centres namely IIQM at Jaipur and 5 CETEs.

STQC is a designated third assurance agency under the National e-Governance Plan (NeGP) of Govt. of India.

STQC is a credible Certification Organisation providing QMS (ISO 9000); EMS (ISO 14000); Information Security (ISO 27001) and IT Service management (ISO 20000) certification services. These certification schemes are accredited by RvA. Netherland and /or QCI India.
